## ABOUT US

The demand for healthy and maintainable protein is increasing as the world's population is growing and this demand is well fulfilled by Divya Corporation. As a known identity in the commodity industry, it is one of the leading manufacturers and exporters of Peanuts, Sesame Seeds and Spices.

Divya Corporation is situated in the Saurashtra region of Gujarat. It was established as a trading unit of wheat by Mr. Jayesh Badani in 1950. With the vision of the founder, the unit was then expanded for trading in other commodities like Peanuts, Pulses, Coriander seeds and Cumin seeds. Later on the production of Groundnuts and Peanuts was also started. At present the companies are lead by two young entrepreneurs Mr. Tejas Badani and Mr. Nemish Badani who are working hard to take the company to new horizons of success.

Divya Corporation has ISO 9001 : 2008 certified factories located in Gujarat. The main production and processing unit – Divya Corporation, located at Agatrai, Keshod.

With over 65 years of experience, Divya corporation has cultivated outstanding relations in the commodity industry and is renowned for its premium quality products. We have fostered brilliant network in the local, national and international level traders, processors and brokers. With this sound backup, we have also made an attempt to export the goods we are mainly dealing with.

We assure you to provide the best quality of products at competitive prices and will put substantial hard work to fulfill all your needs. Our company also has the inclination to have business ties and will very much appreciate to receiving your valued inquiries. ## MISSION

Divya Corporation believes and functions for the fact that "A satisfied customer is the best business strategy". It aims at procuring, processing and delivering the best quality of peanuts, sesame seeds and spices at competitive prices. With the great assistance of our proficient and motivated staff, we continuously strive to maintain the excellent quality of our products to satisfy the customer's needs. We also attempt to come up with innovative ideas for the development of our products to provide a unique buying experience to our customers.

## VISION

At Divya Corporation, we make great efforts to provide premium quality products to meet the customer's expectations. By utilizing the resources optimally, we aim to contribute significantly in building new India and become the leading and the most trusted exporter of peanuts, sesame seeds and spices.

## OUR STRENGTHS

### Processing Units with Latest Technology and Good Infrastructure

We have three processing units. All of them have good infrastructure and are well equipped with the latest machinery.

### Timely Shipments

The Company deals with the huge amount of exports of almost all the Agri commodities. For timely shipping of Cargo we have a channel of Logistics and Shipping lines. We also have a warehouse and a processing unit at the Mundra Port where the shipments are further processed and finally exported.

### Quality Products at Competitive Prices

We try to provide high quality products to our customers at competitive prices so as to fulfill their demands and meet their expectations. To ensure that the quality is maintained, the Cargo is fumigated and processed again before packing. Thus, we do not compromise with the quality at any cost. Moreover, the containerization and shipping services are from the most reliable service providers. So the Cargo will be delivered with utmost standards and on the promised time.
